B. Guidelines and Procedures

1. Advisory Staff: The University of Utah will provide advisory staff personnel to (1) encourage the fraternities to realize policies of behavior and attitude consistent with their own philosophy and the policies of the university; (2) assist fraternities in fully utilizing the resources of the university; (3) oversee the various programs of chapters and work with alumni of chapters; and (4) provide general supervision of fraternity activities, on their premises and the campus, to assure compliance with the standards set forth herein.

Conduct all of its activities in accordance with applicable laws and ordinances, and applicable University of Utah regulations (including Policy 6-400 and the ASUU Organizational Policies and Procedures Manual), as well as in conformity with the national or local policies of the fraternity not inconsistent with such laws, ordinances, and University regulations. In particular, fraternities shall comply with the specific zoning requirements set forth in Salt Lake City Zoning Ordinance, 21A.36.150(C) (1) (a-n) (as amended): FRATERNITIES AND SORORITIES, the current contents of which Ordinance are expressly incorporated herein as a part of this policy in Part III. C. below.

 - d. Seek in good faith to obtain a membership reflective of racial, academic, religious, ethnic, and geographic diversity.
 - e. Conduct orderly recruitment techniques involving action and publicity consistent with good taste and appropriate to an institution of higher learning.

 - k. Develop orderly processes for dealing with infractions by fraternity members of any of the provisions of this statement of University Policy, including appropriate provisions for sanctions including warning, probation, suspension, or termination of membership.

 - a. Select its own membership from those students who voluntarily participate in the recruitment system.
